

Letter from Angelica Church to Phillip J. Schuyler, July 11, 1804

---

at Mr. Bayards Greenwich

Wednesday Morn

My dear Brother

I have the painful task to inform you that General Hamilton was this morning wounded by that wretch Burr but we have every reason to hope that he will recover. May I advise that you repair immediately to my father, as perhaps he may wish to come down – My dear Sister bears with saintlike fortitude this affliction;

The Town is in consternation, and there exists only the expression of Grief & Indignation.

Adieu my dear Brother remember me to Sally, ever yours

A Church
